Customized

In this section, we have listed possibilities for individual customization of game cards, boxes, counters, game boards, dice, play money and game pieces. This items we can produce with your own design/graphics - or our illustrator is doing that for you. These offers are standardised, further and different types and sizes are possible only with higher volumes (game boards and boxes 1,000 pieces, game bits 10,000 pieces, dice 3,000 pieces, counter 1,000 tableaus). More on individual solutions is to be found in our WIKI. We produce complete customized games with a minimum of 1,000 pieces.
